

- 
- The screenshot shows the PubMed search interface. At the top, there are buttons for 'New Search', 'Advanced', 'Browse', 'History', and 'Clear'. Below these, the search criteria are displayed: 'DB: US-PGPIB; USPAT'. To the right, there is a checkbox for 'Exact' and a checkbox for 'Highlight all hit terms initially'. Below the search criteria, the 'Default operator' is set to 'OR'. The search query is entered in the main search box: 'transcod\$ and interpolat\$ and @ad<"20030910" and rate and lsp'. The search results are displayed below the query, showing a list of search results with their titles and abstracts.
